

Archived Delivery Report (list truck drivers, via Rachel Sydney Kings Park NSW Warehouse – 101)

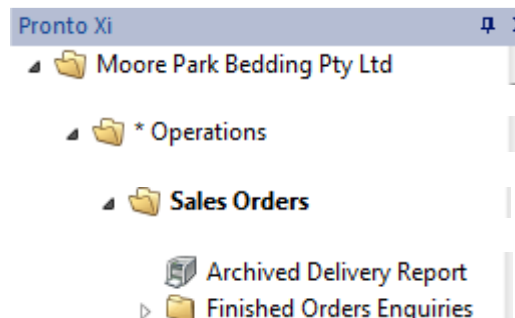

Found in Pronto dataset Snooze Store : 130 – Moore Park Bedding :

F11 Menu Shortcut is : SO.X111

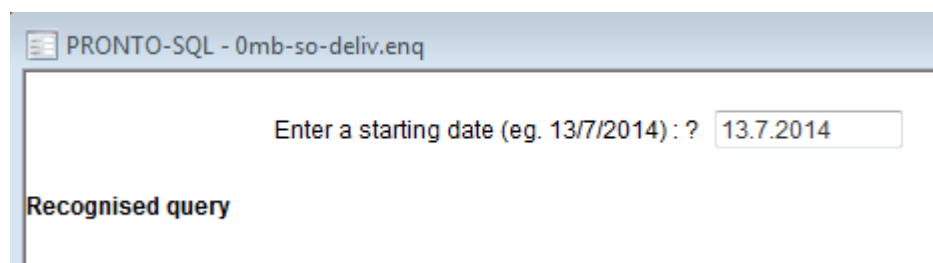

The menu item “ Archived Delivery Report ” – is in “Sales Orders” menu from the Operations menu :

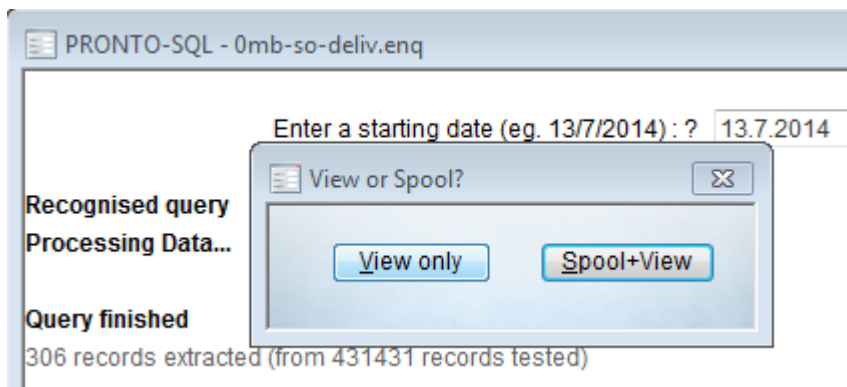

When clicked / selected, the report first asks for a starting date :

The report then displays “ recognised query ” (ie. Please wait - it’s thinking) :

After a few seconds, **Processing Data & Query finished** will come up, along with the no. of records found – and an option to either : VIEW ONLY or SPOOL + VIEW :

Choosing “View only” means the report is not saved as a spooled report, and just displayed :

so order date	so delivery date	so actual delivery date	Truck	s/o #	suffix	so cust code	so invoice no
13-JUL-2014	16-JUL-2014	16-JUL-2014	JOE	114684		KOLBAN01	114684
13-JUL-2014	02-AUG-2014	05-AUG-2014	PAUL	114685		HALLIA01	114685
13-JUL-2014	23-AUG-2014	23-AUG-2014	SHANE	114686		AKHRELO1	114686
13-JUL-2014	19-JUL-2014	24-JUL-2014	PAUL	114687		PALEBE01	114687

Report Setup Requirements (if report is not found in the above menu) :

SYS.M195 (user access control) :

Find User Login, then click SELECT button, choose the Store company/dataset, then click ACCESS button :

Click ENTRY button and enter ZUSR R233 :

C...	Company Name	Environment	Menu Seq	Whse	Terr
130	Moore Park Bedding Pty Ltd	xi_130	290	130	130

Mod...	Function	Description	Grant/De...
ZUSR	R233	Archived Delivery Report	G

Then ESC escape back to main User Access Control datagrid for the selected user, then click B BUILD then U User Build then U User Build to re-build menu security for that user for that dataset.
